ABOUT ME

Hello! My name is Alicia.
I am a freelance designer born,
raised, and currently residing in Paw-
tucket, RI.

The process I use to create my work
revolves around being clear with the end
product. I us three main priorities when
working with you.

Research

Clearly understanding what you are
looking to do with the end result.

Sketching

Drafting up sketches of ideas we can
build off of.

Developing

From here it is producting the end
result. I will go over the design, create
structures for the end product.

AVATAR

This is an avatar I created for an icon.

This was created in AI. It is used as a face for myself when contacting customers through MOO.
